## Weekly Message from Mrs Clayton

We have had a very exciting week in school. The children have adored watching the chicks hatching. Not only has it been a fantastic learning opportunity as part of our science curriculum, it has also been a wonderful chance for the children to experience the joys of new life.

Many children have taken part in our daily Rosary Club where we have been gathering at the Shrine to Our Lady in the beautiful weather to worship together. I am looking forward to welcoming more children who would like to join us.

Reception children have been extremely busy this week. They have enthusiastically started their phonics and numbers journey and I am very proud of them.

Year 1 went to Langdon Hills Nature Discovery Park on Wednesday. They explored many geographical features such as the lake, meadow and hills. They also saw a fantastic view of the London skyscrapers which helped them to compare and contrast urban and rural areas. The children behaved very sensibly and were a credit to our school.

I wish you all a wonderful weekend with your families and friends.

## Artists of the Week

Congratulations to the following children who were awarded Artist of the Week this week:

### Nathan - Owls

Excellent effort and attitude. Fantastic reflection of your work.

### Carter - Herons

Excellent effort with Kandinsky on the tablets and being so helpful to your friends.

## Important Reminder

### Nut Allergies

As some of our children in school have nut allergies, it is important that we maintain a 'nut free' environment. We are therefore asking parents to not include nuts or food products containing nuts or sesame seeds in children's packed lunches.

## Measles Vaccinations

Measles cases are on the rise in England. Measles is more than just a rash, with one in five children needing a hospital visit. MMR vaccinations can be arranged for those children who have missed theirs. This can be done through the GP Practice. It is the best way to keep children safe. More information can be found on the NHS website.

## Family Photo

Please send in a family photo with your child for celebrating our diversity board near our school office.

## **The Lord Lieutenant Competition**

The Lord Lieutenant has launched a [competition](#) to kick-off the Essex Year of Numbers. We're inviting children and young people to create a 2D/3D display (maximum size 1m2 or 1m3), with a short video presentation creatively showing the many ways numbers are used in everyday life. Entries can include number patterns, diagrams, calculations, explanations, photographs and models. The competition offers students the chance to think creatively about maths and its everyday use.

## Essex County Council Special Educational Needs and Disabilities (SEND)

The new [Essex Local Offer](#) provides information on the help available to children and young people (aged 0 to 25) with Special Educational Needs and Disabilities (SEND).

Sometimes, talking to people who share similar experiences to yours means you're more likely to feel understood and get the support you need.

### Autism central is here to help!

The Autism Central Peer Education Programme is for parents, carers and Personal Assistants of autistic people.

Support is provided by parents and carers of autistic people who are happy to share their knowledge and experience with others.

- We are here to listen, offer guidance and tell you about services that are available in your local area
- Navigate you to services that can make a difference and empower you
- Increase your knowledge, understanding and provide you with skills to last
