Weekly Message from Mrs Clayton

Last Saturday we enjoyed The Big Help Out gardening morning. Thank you to all of the parents who made the school grounds look so tidy and to all of the children who helped with digging, painting and planting. It really is a lovely occasion and I look forward to the next one in the spring. An especially big thank you to Mrs Camargo who organised the event and to Miss Daisy for getting everything ready.

Our new enquiry curriculum continues and Year 1 are investigating whether or not Basildon is the best place to live. They have started by visiting Ballards Walk and mapping out the route. They were a credit to our school as they walked along the road in their uniform.

Monday sees the start of October, which is traditionally dedicated to the Holy Rosary of the Blessed Virgin Mary. We will be remembering the mysteries of Christ's life and Our Lady's life, by saying the Hail Mary. Miss Brosnan and Mrs Cassar will be leading Rosary club at lunchtimes for the month, encouraging the children to say the Rosary in the prayer garden, at our little shrine at the front of the school and kneeling at the prayer table, with candles lit in the hall. Please encourage your children to join in on one of the days.

Wishing you all a lovely weekend with your families.

Bumped Head - Parental Information

We now have a new procedure in place for head bumps.

Any pupil who suffers a head bump will be issued with a "yellow bumped head wristband.

This will make it visible to all school staff that a head bump has occurred.

A wristband will be given to any child who has presented to a first aider with a bump to any part of their body from the neck upwards (including eyes, ears, nose, lips etc).

The wristband notifies you that one of our First Aiders looked after and assessed your child and at the time it was not thought necessary to refer him/her for further attention. The incident will be recorded in the First Aid register in the usual way.

The wristband will have the date and time of the incident.

Parents will also receive a follow up app. message from the school informing them that their child has bumped their head. If the injury is severe parents will be notified immediately.

Children will be told that this band **must remain on their wrist** until they get home to show parents/carers, including if they attend an [after school](#) club.

Our current bumped head slip **will no longer** be sent home.

In rare circumstances, symptoms can develop up to 24 hours after an injury and should be monitored. If any of the following conditions occur please refer the child to a doctor, preferably at the local A&E

Department:-

- Severe headache (persistent)
- Does not like bright light
- Vomits
- Dizzy, double or blurred vision
- Becomes disorientated or confused or unable to remember the recent past
- Their conscious level changes

Thank You

Melanie Clayton
