Weekly Message from Mrs Clayton

This week the children have all been participating in the after school clubs and the uptake for the additional sporting activities is growing. Mrs Dorrington, our Sports Coach has a timetable of competing events that children can take part in over this academic year.

Our enriched curriculum continues to develop and I wanted to take this opportunity to tell you about Mrs Baxter, who is coming in on Tuesdays and Thursdays to teach the children Art. Mrs Baxter is an experienced teacher who has taught in a number of schools in Essex and is going to be our Cultural Champion. She is excited to be part of a project to work with The Royal Opera House. This will involve the children finding out about the work that the Opera House do and bringing this into school to inspire Music and Art.

The children enjoyed their attendance assembly this week and they are invited to take part in our Every Day Counts competition and design a poster with their families.

I hope that the children have told you about our new 'Worry Boxes'. They are enjoying putting their little worries into the boxes on our prayer tables. It is quite moving to hear them turn these little worries into prayers, asking God to help them.

Wishing you all a lovely weekend and I hope to see some of you tomorrow morning at our Big Help Out morning.

Measles cases are on the rise in England. Measles is more than just a rash, with one in five children needing a hospital visit. Bumped Head - Parental Information

We now have a new procedure in place for head bumps.

Any pupil who suffers a head bump will be issued with a "yellow bumped head wristband.

This will make it visible to all school staff that a head bump has occurred.

A wristband will be given to any child who has presented to a first aider with a bump to any part of their body from the neck upwards (including eyes, ears, nose, lips etc).

The wristband notifies you that one of our First Aiders looked after and assessed your child and at the time it was not thought necessary to refer him/her for further attention. The incident will be recorded in the First Aid register in the usual way.

The wristband will have the date and time of the incident.

Parents will also receive a follow up app. message from the school informing them that their child has bumped their head. If the injury is severe parents will be notified immediately.

Children will be told that this band **must remain on their wrist** until they get home to show parents/carers, including if they attend an [after school](#) club.

Our current bumped head slip **will no longer** be sent home.

In rare circumstances, symptoms can develop up to 24 hours after an injury and should be monitored. If any of the following conditions occur please refer the child to a doctor, preferably at the local A&E

Department:-

- Severe headache (persistent)
- Does not like bright light
- Vomits
- Dizzy, double or blurred vision
- Becomes disorientated or confused or unable to remember the recent past
- Their conscious level changes

Thank You

Melanie Clayton
