Weekly Message from Mrs Clayton

First of all, I wanted to say a warm welcome to all new parents who have just joined us. We are delighted that you are now part of our school family. Reception and Nursery have been coming in brilliantly this week and seem to be enjoying school so far. The children appear to be settling well into their classrooms and I have visited each class this week to see how they are enjoying our new Enquiry based curriculum. It was great to see how engaged Year 1 were in their science lesson, with lots of exploration happening with both live and dead fish! They appeared adept at dissecting the fish with their tweezers and sorting out the bones they found with their magnifying glasses! Our live fish are also settling in well, and the winner of the Name the Fish competition will be announced early next week.

Year two had a visit from Mrs Gutteridge's dog Spud, and asked really intelligent questions about his nutritional needs and his sleeping pattern among others. Don't be surprised if there are some requests for dogs this weekend...

We also had the privilege of welcoming Mya Koomson's Grandfather Fred into school on Wednesday to talk to the children about his very special role as a Papal Knight for the Catholic Church. This was such an honour and he told the children all about his role on the papal visit to Ghana in 1980. He spoke about his school boy days in Ghana and is going to work with us on making close links to a Catholic Primary school in Accra. We are all very excited about this and there will be more news to follow.

Our Catholic family locally has also been a focus this week as staff attended a beautiful mass at Brentwood Cathedral to mark the start of the academic year alongside other Catholic schools in our diocese.

I am wishing you all a restful weekend and ask you to pray for the people in Libya who have been affected by the terrible floods there.

Measles Vaccinations

Measles cases are on the rise in England. Measles is more than just a rash, with one in five children needing a hospital visit. MMR vaccinations can be arranged for those children who have missed theirs. This can be done through the GP Practice. It is the best way to keep children safe. More information can be found on the NHS website.

Big Help Out

Our Big Help Out in May was such a success. We would love to invite you again to come into school and help with keeping our grounds looking lovely for the summer. We would be delighted to see you on **Saturday 23rd September between 10am and 2pm**. Please bring along your gardening gloves and tools along with plant donations. There will be a bacon sandwich and cup of tea for all the volunteers. This is a great opportunity for families to spend time together outside in the fresh air.

Mrs Camargo will be leading this and has organised two tractors to be here for the event. Children can get up close and have a photo taken with them. Don't forget to let us know if you will be attending as we need numbers for food. It should be a lovely opportunity for you to get outdoors with our school community.
