Weekly Message from Mrs Clayton

A warm welcome back to you all.

The year has started well, although our little school family is not yet complete as we await Reception and Nursery joining us from Monday. I have loved hearing about all of the activities that the children have been doing during the holidays. It sounds like you have all been busy.

The children have settled so well into their new classes and have been working very hard with their new teachers. Over the next week, we will be sending out a diary of exciting events and meetings that we have planned for the year. This will be coming out on a paper copy for you to put up at home and will also be published on the school website.

I am really looking forward to the year ahead and all of the things that we can achieve together.

Have a lovely weekend.

Measles Vaccinations

Measles cases are on the rise in England. Measles is more than just a rash, with one in five children needing a hospital visit. MMR vaccinations can be arranged for those children who have missed theirs. This can be done through the GP Practice. It is the best way to keep children safe. More information can be found on the NHS website.
