

Year 1 What is it like here?

Key Knowledge

An aerial photograph is a photograph taken from the air above.

A map is a picture of a place, usually drawn from above.

Symbols are often used on maps to represent features.

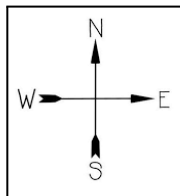

I know simple directional language (e.g near, far, up, down, left, right, forwards, backwards).

Key Vocabulary

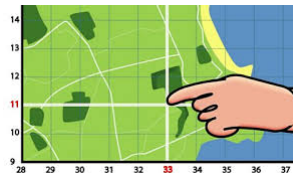

aerial photograph
 aerial view forest hill
 mountain river
 sea city town village
 factory farm
 directional language
 features improve location
 map symbol

Key Skills

Use simple compass directions

Use a map

Draw freehand and sketch maps

Information to help me

Simple map with symbols

Directional Language
