

## **Recovery Premium & School Led Tutoring Funding/NTP**

Funding has been given to schools to support pupils who have fallen behind due to the impact of COVID-19.

In 2022- 2023 The school will receive:  
£2900 in Recovery Premium  
£1350 in School Led Tutoring Funding/NTP

This funding amount is used to pay for a qualified teacher to run targeted catch up lessons. These small group or 1:1 sessions will address any gaps in learning or misconceptions that have developed during periods of online home learning. The impact of this strategy on the selected children's educational attainment is measured through data analysis of the class teacher assessments and Key Stage 1 SAT results.
